Centennial Notice.

THIS IS TO NOTIFY ALL WHOM it may concern that the only persons authorized by the Board of Centennial Fair Commissioners for the State of Nevada to act as collectors of mineral specimens for exhibition at Philadelphia are HENRY R. WHITMAN and W. FRANK TOWARD; and that all such specimens placed in their hands will be transmitted in due time to the said Centennial Fair.

This notice is made to correct any misapprehensions which may have arisen out of the fact that another party, a person bearing credentials from the National Board as a specimen collector, has preceded Messrs. Whitman and Toward in some parts of the State, causing (to the doubt unintentionally) the impression to prevail that he is collecting in the name of, and by authority from, the State Board.
